Living Water
Season of Creation 2026

This year's theme, "Living Water", explores Ezekiel 47:9 and 12 as a powerful biblical vision of hope and ecological healing. Set amid exile and loss, the image of living water flowing from God's sanctuary reveals divine healing that renews land, water, biodiversity, and human responsibility towards the whole creation.

Creation is God's sacred gift, entrusted to our care. Christians are called to protect and nurture Creation working in partnership with others and passing this responsibility on to future generations. The essential element of water maintains the balance of earth, and if our waters are polluted and threatened, our earth's flourishing is compromised.
